## GOLD DUST

To keep bath tub and lavatory snow white—to keep metal pipes, fixtures and taps brightly burnished—to purify metal bowl—there's nothing on earth like Gold Dust. Gold Dust is the great sanitary cleanser, because it sterilizes while it cleans, and drives out every germ and hidden impurity.

Other products may clean the surface—Gold Dust cleanses to the bottom.

Add a heaping teaspoonful of Gold Dust to a pail of water and you are ready to prove these claims.

"Let the GOLD DUST TWINS do your work."
